

Dr. Monika Mügschl-Scharf

FUTUR –

Forschungs- und Technologietransfer Universität Regensburg

Gründerberatung – FUTURstart-up

From Research to Business – Starting up at the University

The start-up support team of FUTUR shows how the transfer of scientific results into marketable products and services by spin-offs is supported at the UR (and other universities).

Contact persons, activities and networks for advice and support for those interested in starting a business will be presented, as well as funding schemes and some basic information on property rights.

Time: Monday, 13th December 2021, 17:15h
Location: zoom
