## EXHIBITION

**Barbara Wimmer-Bulin**

*São Teotônio Never Sleeps*

As part of the conference, the artist and anthropologist Barbara Wimmer-Bulin will present photographs from her exhibition and research project *São Teotônio nã drome — São Teotônio Never Sleeps: Stories between Globality and Locality*.

The photographs will be on show around the conference space, while on 17 November at 14:00, after the official end of the conference, there will be an artist talk.

This exhibition is presented in cooperation
