**Waiver for an examination attempt**

I hereby voluntarily and irrevocably waive my right to retake the following

examination:

in semester:

module group:

I can no longer waive the right to a retake if I have already taken it or if I have registered for it and the deadline for canceling the registration has passed.

The waiver remains fully valid should the module be moved to another module group or if I switch to a different program in the Faculty of Business, Economics, and Management Information Systems.

I hereby expressly accept that the examination named above will be awarded the grade of my last valid attempt.

I have made this decision voluntarily and am aware that this decision cannot be revoked.

This decision cannot be revoked even should the module examination or even program is conclusively failed.
