

## Information on taking a 3rd attempt at an examination in business modules in the Business Chemistry programs

1. A third attempt is only possible in the modules:

Bachelor's program: WiCHE-BSc-Wi-M01 to WiCHE-BSc-Wi-M03: general foundations  
WiCHE-BSc-Wi-M04 to WiCHE-BSc-Wi-M06: foundations of business administration

Master's program: WiCH-MSc-Wi-M01 to WiCH-MSc-Wi-M26

2. A third attempt can only be approved should it no longer be possible to successfully complete the module group.
3. The application for a third attempt must be submitted to the chair of the examination committee within one month of the announcement of the examination result.

#### **4. This option can only be exercised once in the course of the program.**

5. The relevant applications:

- a. An application for a third attempt must be made within the deadline given above. This application must be made to the chair of the examination committee using [application form 1.](#)
- b. Additionally, the student must apply to participate in the examination. This application uses [form 2.](#) and must be sent to the Examination Office for Chemistry within the registration period.
