

Module group balancing for the business modules in Business Chemistry

as amended on August 8, 2022

Bachelor's degree

(Examination regulations for the B.Sc. Business Chemistry § 8 Para. 5 from August 1, 2017, amended August 8, 2022):

A module group is successfully completed when none of the module examinations has received the grade 5.0, at most one module examination has been graded 4.3 or 4.7, and the average grade calculated in accordance with clause 2 is 4.0 or better.

A module group can no longer be successfully completed when, after using up the possibilities for retakes, one of the module examinations is graded 5.0, more than one module examination is graded 4.3 or worse, or when the average grade necessary according to clause 3 can no longer be achieved.

Master's degree

(Examination regulations for the M.Sc. Business Chemistry § 8 Para. 2 from August 3, 2020, amended August 8, 2022):

A module group is successfully completed when none of the module examinations has received the grade 5.0, at most one module examination has been graded 4.3 or 4.7, and the average grade calculated in accordance with clause 5 is 4.0 or better.

A module group can no longer be successfully completed when, after using up the possibilities for retakes, one of the module examinations is graded 5.0, more than one module examination is graded 4.3 or worse, or when the average grade necessary according to clause 5 can no longer be achieved.

Waiving the option to retake:

(Resolution of the examination board from July 21, 2022):

The option to retake an examination component can, from now on, be waived, and module group balancing subsequently calculated. To do this, it is necessary to submit a written waiver. [Form](#)

Retaking an examination component:

The retake is to be taken in the subsequent semester at the latest.

Note:

- If you register for a retake and take part: Your grade may be better or worse.
- If you register for a retake and do not take part: You will be awarded the grade "defaulted", 5.0. You should avoid this possibility!
- If you do not register for the retake and do not submit the retake waiver: After the deadline for the retake of the relevant examination component has passed, the module group balancing will take place at the start of the following semester. The grade of the first attempt is booked.
