

DIRECTIONS

DEPARTMENT OF ECONOMICS, UNIVERSITY OF REGENSBURG

In the following, you can find information on how to reach Regensburg by train, car, or from Munich and Nuremberg airports.

Also, you can find information on how to get to the Department upon arriving in Regensburg.

Our contact details can be found at the end of these directions.

Travelling by train

For detailed information, please use the online services of the [Deutsche Bahn](#).

Bus connection from the train station to the university

Take one of the following buses, which run regularly: 6, 11, C1 or C6. You can board at *Albertstraße* (approx. 100m from Regensburg Central Station). For all bus connections, please note: the relevant direction is „Universität“ (you may check the bus route or ask the driver). Details as to bus routes and timetables can be found at: [rvv.de](#).

From bus stop “Universität” to the Department of Economics

From the central bus stop “Universität”, follow *Universitätsstraße* downhill until you reach the access path to the Vielberth building (“Vielberth-Gebäude”). At the Vielberth building, turn right and continue on to the Law and Economics building (“Recht und Wirtschaft”). The (default) meeting point (Andreas Roeder’s office) is located on the 4th floor, room no. 4.12 (see the map on the next page).

Travelling by plane

From Munich Airport: Take bus no. 635 from Terminal 2 to Freising train station. From there, you can reach Regensburg by train in 60–90 minutes. For further information, please use the online services of the [Deutsche Bahn](#). Alternatively, you can take the [Airportliner](#) from Munich Airport to Regensburg. Please note that this service has to be booked in advance.

From Nuremberg Airport: You can travel to Nuremberg Central Station (HBF) by bus or subway. From there, you can reach Regensburg by train in 60-90 minutes.

Travelling by car

The underground car park at the university is accessible via *Albertus-Magnus-Straße* (see the map). Please note that, generally speaking, there are only a rather limited number of parking spaces available.
